Some of the Best Known Educators Among Them-General Information Regarding the Summer Normals-Railroads Give Reduced Rates.

Arrangements have been pretty well perfected for the normal training schools to be held this summer for the benefit of the public school teachers of Virginia. Five of these schools will be held this year-three for white and two for color-

The School of Methods, which is regarded as the crown and summit of the summer training schools of the South, will be held at Roanoke. The summer schools for colored teachers will be held at the Virginia Normal and Collegiate Institute, at Petersburg, and the Hampton Normal and Agricultural Institute. Superintendent Southall calls attention to the fact that the State expends annually more than one and a half million dollars in sustaining the public school system, and that allower than lic-school system, and that about three hundred thousand pupils are under the hundred thousand pupils are under the care and instruction of the teachers in the public schools. These children are soon to assume the duties of civic life, and take a hand in shaping the destinies of the Commonwealth. As the great majority of them will get no other education than that afforded by the public schools, the teachers who are to train them have a work of momentous magthem have a work of momentous mag-nitude and importance to perform.

COURSE OF INSTRUCTION. The course of instruction at the various schools is indicated by the subjects assigned to the instructors. Manual training will be taught at the School of Methods and at the Hampton Institute, and it is hoped by the State Superin-tendent that this important branch of practical instruction will soon be intro-duced into all the schools.

Each school will be divided into sec-tions, and regular class recitations made a leading feature. Correct methods of teaching will be exemplified in the work teaching will be exemplified in the work of instructors. It is suggested that, as far as practicable, evening lectures on educational topics be made a feature of each school. These lectures will awaken each school. These lectures will awaken in the community an interest in public education, and give teachers a glimpse of that broader culture so essential to the highest success in teaching. Teachers should carry with them some text-book on every subject in this outline. A certificate will be issued to every teacher and carnes the carnes t who attends every class and carnestly pursues the work for the full period of any of the schools. Superintendents are authorized to renew for one year (without re-examination) the license of teachers who receive these certificates.

"Things Ill Gotten Are Ill Spent."

This is true of the man whose physical condition has forced him to call upon his nerves to make good the depletion of the rest of his system. The overdrawn business man is overdrawn because he lacks proper capital. The capital of the physical man is pure, wholesome, lifegiving blood.

Make this capital for yourself and do not overdraw. The best blood-giving banker is Hood's Sarsaparilla. It lends and gives interest, too. You cannot beat that. If your physical bank account is low, see what this banker will do for you. It never disappoints.

Rheumatism-" A few bottles of Hood's Sarsaparilla entirely cured my sufferings from rheumatism. Later on it stopped dyspepsia from which I suffered intensely-I can eat anything now." WM. A. BUCKLEY-344 Summer St., East Boston, Mass.

Scrofula-" When three months old our baby Roy was covered with itching and burning scrofula sores. The best physicians failed to relieve. Hood's Sarsaparilla saved his life as it made a permanent cure." Mrs. Lillie M. Fish, East Springport, Mich.

Stomach Trouble—"Two years suffering with stomach trouble made me weak, run down, with severe headaches. Life was a burden to me until I took Hood's Sarsaparilla which cured me. It makes my children strong and healthy." Mrs. M. Bach, Sil 23 St., N. E., Minneapolis, Minn.

indigestion - "I now have a good appetite, eat well, sleep well and my dyspepsia and indigestion have left me. The reason is I took Hood's Sarsaparilla which entirely cured me. I am Baggage Master on the B. & O. Rallroad." THOMAS COLES, 119 Carr St., Sandusky, Ohio.

Blood Poison — "At 12 I had bone disease and used crutches. Doctor prescribed and wanted to scrape it. My grandfather gave me Hood's Sarsaparilla. After taking four bottles I threw away crutches, am well and go to school." Charles Campbell, 1816 Ontarlo Ave., Niagara Falls, N. Y.

Arcanumites Have a Good Time.

There was a good rally of Arcanumites at Shockoe Council, No. 895, last night. Every seat in the spacious hall was filled. Six candidates were initiated, the ceremony being impressively performed. There was a very interesting business session, and harmony and zeal characterized the meeting, Grand Regent Bloomterized the meeting. Grand Regent Bloom-berg was present, as were many visiting brothers. The after meeting, for re-freshments and social festivities, was much enjoyed, there being an elegant re-past, music, and rhetoric. Shockoe is al-ways very much alive. Indeed, all the councils are active, and under Grand Re-gent Bloomberg's efficient administration are making fine records.
